Please note:

1. Semester - The semester indicated is F (Fall - September), W (Winter - January) or I (Intersession - May). This is the semester when the course is offered.
2. Registration - Registration information for an upcoming semester is posted on the [CNA ECE DL webpages](#) under STUDENTS/CURRENT/COURSE REGISTRATION/WHEN DO I REGISTER FOR COURSES.
3. Prior Learning Assessment and Recognition (PLAR) - Learners who have prior experience in a particular area or topic may be eligible to apply for PLAR. Information on the reasons why a learner is applying must be provided on the PLAR application form. Applications for PLAR may be submitted when registering each term, or may be submitted as a Comprehensive PLAR (in the term the course is not offered). Deadline for PLAR applications are posted on the [CNA ECE DL webpages](#) under STUDENTS/FUTURE/PRIOR LEARNING/CREDIT FOR PRIOR LEARNING.
4. As per College policy, the maximum number of credits that can be awarded through Exemption and/or PLAR is 75% of the number required to complete the certificate/diploma.
5. Prerequisites - When registering for courses, please take note of the prerequisites. These are courses you must have completed before you can register for or PLAR that course.
6. Students in the **ECE Online Certificate program** are required to complete two Field Placements: FW1600 (5 weeks) and FW1601 (5 weeks). Provincial program standards require that learners must complete a majority of their placements in a regulated child care centre. A minimum of 260 hours for the Certificate, must be completed in a regulated child care centre, while the remaining hours may be in a regulated family child care home, child care centre, a family child care agency, a kindergarten classroom or a family resource centre. For those online students currently working in regulated child care (i.e., for a minimum of 12 consecutive months), a minimum of 1 week must be completed at a College of the North Atlantic (CNA) demonstration child care centre. An additional week at a CNA demonstration child care centre (for a total of 2 weeks out of the required 10 weeks) will be mandatory for the following: 1. students working in regulated child care for less than 12 consecutive months; 2. students not working in regulated child care.
7. Students in the **ECE Online Diploma program** are required to complete Four Field Placements: FW1600 (5 weeks), FW1601 (5 weeks), FW2600 (4 weeks) and FW2601 (4 weeks). Provincial program standards require that learners must complete a majority of their placements in a regulated child care centre. A minimum of 500 hours for the Diploma must be completed in a regulated child care centre, while the remaining hours may be in a regulated family child care home, child care centre, a family child care agency, a kindergarten classroom or a family resource centre. For those online students currently working in regulated child care (i.e., for a minimum of 12 consecutive months), a minimum of 2 weeks must be completed at a College of the North Atlantic (CNA) demonstration child care centre. An additional week at a CNA demonstration child care centre (for a total of 3 weeks out of the required 18 weeks) will be mandatory for the following: 1. students working in regulated child care for less than 12 consecutive months; 2. students not working in regulated child care.
8. Students will be assigned a CNA demonstration child care centre based on geographical location. Our centres are located in St. John's, Corner Brook and Happy Valley - Goose Bay.
9. Prior to the start of a field placement, students must submit to Student Services, a current copy of at least an emergency level (one day) diploma/certificate in first aid and CPR dealing with children. A list of approved first aid training providers can be found on the [Workplace NL website](#).
10. EE2470 Infant Development & Care has components that require working with infants. If your workplace does not provide infant care, please contact the ECE Manager to discuss. 10.
