Applications for PLAR may be submitted when registering each term or may be submitted as a Comprehensive PLAR (in the term the course is not offered). Deadline for PLAR applications are posted on the [CNA ECE DL webpages](#) under STUDENTS/FUTURE/PRIOR LEARNING/CREDIT FOR PRIOR LEARNING.
- As per College policy, the maximum number of credits that can be awarded through Exemption and/or PLAR is 75% of the number required to complete the certificate.
- Prerequisites - When registering for courses, please take note of the prerequisites. These are courses you must have completed before you can register for or PLAR
- Students in the **ECE Online Certificate program** are required to complete two Field Placements: FW1605 (5 weeks) and FW1610 (5 weeks). Provincial program standards require that learners must complete a majority of their placements in a regulated child care centre. A minimum of 260 hours for the Certificate, must be completed in a regulated child care centre, while the remaining hours may be in a regulated family child care home, child care centre, a family child care agency, a kindergarten classroom, or a family resource centre.

For those online students currently working in regulated child care, for less than 6 consecutive months from the start of FW1605, a minimum of 1 week must be completed at a College of the North Atlantic (CNA) demonstration child care centre. Written confirmation of work experience will be required. An additional week at a CNA demonstration child care centre (for a total of 2 weeks out of the required 10 weeks) will be mandatory for students not working in regulated child care.

Applicable students will be assigned a CNA demonstration child care centre based on geographical location. Our centres are located in St. John's, Corner Brook and Happy Valley - Goose Bay. Please note: Students will be informed of the dates and which field placement course (FW1605 or FW1610) the mandatory week(s) will be completed.
- Prior to the start of a field placement, students must submit to Student Services, a current copy of at least an emergency level (one day) diploma/certificate in first aid and CPR dealing with children. A list of approved first aid training providers can be found on the [Workplace NL website](#).
