College of the North Atlantic

Journalism Materials and Supplies

Non-Consumable Items

In Bookstore	Item	Cost
NO	A digital single lens reflex (DSLR) camera (Canon or Nikon). A detachable (off-camera) flash is recommended. A DSLR camera has detachable lenses and while only one lens is required, a zoom lens in the range of 18-70 mm would be beneficial. It should be capable of shooting video. It should also have a mini (3.5 mm) audio input. Only DSLR cameras are acceptable. Available at any consumer electronics store or department.	450.00 – 600.00
NO	Off-camera flash with a tilt head.	100- 250
NO	Camera bag. Available at any consumer electronics store or department.	25.00 – 75.00
NO	Digital Audio Recorder with a microphone input. Affordable models include the Tascam DR-05x and the Zoom H1n Handy Recorder	160 - \$170
NO	Smart Phone:	200-450 for a phone; 50-115 for a plan per month
NO	Headphones Suggestion: Sony MDR7506	100 - 126
NO	RECOMMENDED: Directional Microphone for a Smartphone. Note: We do recommend the RodeMic Me for iPhones, but it would not be compatible with several Android phones. One possibility for some Android devices would be the MightyMic G GoPro Shotgun Video Microphone , which is compatible with the Samsung Galaxy.	50 - 80
NO	Jump Drive: We recommend at least 4GB of memory. Available at any consumer electronics store or department	\$15.00
