## Post-Diploma Journalism Materials and Supplies - DISTANCE VERSION

Please note there are differences between the materials required for distance post-diploma students and those required for on-campus post-diploma students

### DISTANCE VERSION - Non-Consumable Items

In Bookstore	Item	Cost
NO	<b>A digital <u>single lens reflex (DSLR)</u> camera (Canon or Nikon).</b> A detachable (off-camera) flash is recommended. A DSLR camera has detachable lenses and while only one lens is required, a zoom lens in the range of 18-70 mm would be beneficial. It should be capable of shooting video. Only DSLR cameras are acceptable. Available at any consumer electronics store or department.	450.00 – 600.00
NO	<b>Off-camera flash</b> with a tilt head.	100- 250
NO	<b>Digital Audio Recorder</b> with a microphone input. Affordable models include the <a href="#">Tascam DR-05</a> and the <a href="#">Zoom H1</a>	130 - \$170
NO	<b>Smart Phone:</b> We recommend an iPhone because Apple has a better selection of apps that are useful to journalists. However, the choice of phone is up to the student.	150-400 for a phone; 30-60 for a plan per month
NO	<b>Camera bag.</b>	25 – 75
NO	<b>Tripod</b> – lightweight and sturdy Suggestions: <a href="#">Manfrotto 294</a> <a href="#">Induro Alloy 8M AT213 Tripod</a> <a href="#">Fotopro C5i Camera Tripod/Monopod</a>	180 to 250
