TEACHING with **BRIGHTSPACE**

UPCOMING DATES:

May 10 - June 18

REGISTRATION:

lisa.skinner@cna.nl.ca

TIME COMMITMENT:

2 - 4 hrs/week

This **six-week online course** introduces you to the basics of teaching and learning using Brightspace by D2L. Whether you teach on-campus, online or in a blended learning environment, this practical course will allow you to explore tools and strategies for creating engaging learning experiences for your students. In this course, you will have an opportunity to:

- Practice using Brightspace tools for class communication, collaboration, and assessment.
- Learn ways of reducing your workload by automating and streamlining instructional tasks using Brightspace tools.
- Experience using Brightspace from both an instructor's and a learner's perspective.
- Discover strategies for building an active learning community and improving your online presence.

To register, email Lisa Skinner at lisa.skinner@cna.nl.ca. Enrolment is limited, so participants will be accepted on a first-come, first-served basis. There is **no fee to participate**. **Participants will receive a Participation Certificate upon successfully finishing the online course.**
