## Respondus Lockdown Browser

### Adding Respondus Lockdown Browser to a Quiz

On the D2L navbar, click **Assessments**, then **Quizzes**.

When the Quizzes page opens, click on the LockDown Browser Button.

Click to Continue to LockDown Browser.

Prevent Cheating During Online Quizzes

Don't show this page again

Continue to LockDown Browser >

Click the arrow below the quiz name to expand the menu and click Settings.

Select the Option to Require LockDown Browser.
